

Camp Lowell Cardiology Billing Department

Please click on the link below to pay your bill or by calling our office at (520) 319-5922

Camp Lowell Cardiology's in-house billing department is happy to assist you with any questions you may have regarding your bill. Our billing office makes every attempt to collect reimbursement from your insurance company for all services rendered by our providers. As a courtesy we file a claim to your insurance on your behalf and assist with insurance processing.

As a patient, please remember it is your responsibility to pay for any deductibles, co-insurance, or co-payment amounts at the time of your visit. Not all services are covered under all insurance contracts. If your insurance plan does not cover a service or procedure, you will be responsible for payment of the charges. If you received a statement from us, the amount due is either a patient responsibility amount after your insurance paid, your insurance did not respond timely to our claim, or your insurance denied our claim. *Please call our office with any billing questions.*
